WOSB Federal Contracting Program

Solution Summary

After getting your business registered in the System for Award Management (SAM), US Federal Contractor Registration (USFCR) will determine if you qualify for Economically-Disadvantaged or Women-Owned Small Business (ED/WOSB). Our WOSB Federal Contracting Program will assist with the set-aside application process. We will also make sure your business is entered in the SBA's woman-owned small business repository.

WOMAN-OWNED CHALLENGES

Processing

Registering as an ED/WOSB can be a complex and time consuming process for those not familiar with processing government paperwork.

Qualification

Not all woman small owners qualify for the ED/WOSB set asides.

Compliance Penalties

Errors in the ED/WOSB registration can cause a business to face penalties and delays.

Database Entry Assistance

Businesses cannot get all of the benefits of the ED/WOSB set-aside if they aren't registered in the SBA's woman-owned program.

INSIDE USFCR'S SOLUTION

By outsourcing the WOSB Federal Contracting Program certification process, businesses save time and money getting in compliance for this set-aside.
